### **The Council's Decision**

Applications are accepted on the understanding that, in accordance with legal advice given to it, the Council does not enter into any correspondence or make any comment with regard to decisions. The Council retains at all times the discretion to defer, approve, conditionally approve or deny the application.

The following are taken into account together with the material supplied by the applicant;

1. Referees' views;
2. Reports from the relevant Law Society (or Societies) and the Legal Services Commission;
3. Any other evidence considered relevant to the application.

If the Council decides to recommend the application, the applicant is advised accordingly. Precedents will be provided by the Society.

Drafts of the documents should be submitted to the Secretary of the Society before being sent to the Court of Faculties so that they may be checked through by the Secretary.

Once the documents appear to the Secretary to be in order, the Society's certificate confirming its support and recommendation will then be issued to the applicant, and the documents returned, for the applicant to send to London.

Please note that the Certificate from the Society is valid for 12 months from the date of issue and thereafter lapses.

Please be aware however, that the final decision of issuing a Faculty rests with the Court of Faculties ("the Court").

If the Council decides against the applicant, \$250 will be refunded to the applicant.

**Documents Required After Approval by Council** The documents required to be filed in the Court of Faculties by an applicant are as follows:

1. A Memorial which details the geographical background for the appointment, the type of practice carried on by the applicant and the reason for an appointment;
2. A certificate from the Registrar of the Supreme Court of Queensland confirming that the applicant is on the roll of solicitors;
3. Completion of the required forms that meet the requirements of the Court of Faculties.
4. A reference by two notaries confirming the applicant's fitness; and
5. The filing fee payable to the Court of Faculties, is £790.

Prior to the Society recommending the awarding of a Notarial Appointment the applicant must undergo and complete successfully an educational program as set out and endorsed by the Queensland Society of Notaries. No granting of that Commission can be made until that program has been successfully completed and notification of the applicant's successful completion confirmed to the Court of Faculties in London.

### **Awarding the Faculty**

Providing all documents are to the Court's satisfaction and no caveats have been filed against the appointment, it is usual for the Court to make the award within a few weeks of the filing of the documents. The Court arranges to have the faculty engrossed on vellum and it is forwarded to the applicant with a form of oath of loyalty to His Majesty King Charles III which must be sworn before the Archbishop's delegate, who can be any Anglican Bishop or a Judge of the Supreme Court of Queensland or the District Court of Queensland. The completed oath is then returned by the applicant to the Court of Faculties where the applicant is enrolled in the records of the Court. The applicant is then qualified to practice as a Notary Public for the State of Queensland.

### **What to do After Appointment**

There are three matters to be attended to after appointment.

1. **Seal of Office.** The applicant should obtain an impressed seal without delay.
2. **Notice to Society.** The applicant should advise the Society of the appointment, the date of taking the oath and the name of the witness to such oath. The applicant should send an original example of their signature and seal to the Secretary of the Society, to be placed in the Society's Register.
3. **Department of Foreign Affairs and Trade.** A Request for Specimen Signature/Seal/Stamp Form will need to be completed and sent to the Department of Foreign Affairs and Trade to ensure that the benefit of the Hague Convention is available.

### **Society Membership**
